- ★ Create a “Family-Driven” and “Youth-Guided/Driven” System of Care.

The Leadership Academy is for:

1. Parents/primary caregivers of children birth to twenty-six years old with emotional/social delays or behavioral health disabilities, AND
2. Young adults (**16-35 years old**) that have a behavioral health disability. These transitional-age youth must be at least 16 years old and be able to participate in the group process.
3. Providers or agency partners that understand and support the “Family-Driven and Youth-Guided/Driven System of Care” and want to assist KPFC in moving forward in this effort.
