

MAKE YOUR VOICE HEARD

**Share Your Lived Experience & Help to Create a
BETTER, STRONGER
System of Care for Kentucky!**

WHAT IS LEAD KY?

We are a workgroup that brings together Kentucky state and local agencies, older youth (16-25), and parents/caregivers with experience in various service systems – child welfare, juvenile justice, or the courts – to improve Kentucky's System of Care.

Together, we create a network of support for children and youth with mental health and/or substance use challenges, helping them thrive at home, at school, and in their communities.

Learn more about Kentucky's System of Care:
